

# OPERA SKIS: CUSTOMIZATION REQUEST

This form has been developed to simplify your customization request and help us better understand your idea. If you want to customize your OperaSkis, fill it in every part and send it at the email [info@operaskis.com](mailto:info@operaskis.com)

## How would you like to customize your skis?

Specify if you want your logo in one or both the skis:

right ski

left ski

TEXT Check this box if you want to customize the board with a word, a phrase or initials. Indicate here exactly what you would like to write, and remember to insert also any uppercase, lowercase and punctuation.

Right ski: \_\_\_\_\_

Left ski: \_\_\_\_\_

## If you selected TEXT, do you want to choose the character to write it with?

YES Write us the name of the font you would like to use, but remember to choose a free one. If you don't know where to find it, you can try on the website [www.fonts.google.com](http://www.fonts.google.com)

NO In this case we will choose a font from our archive. If you want you can express a preference, for example italics, bold, serif, sans serif ...

## In which position would you like your customization?

Please refer to the ski you see here, and we'll adapt your request to the different models.
